SEGUIN---- GBRA H-4 (Lake Gonzales) opened to the public this past Wednesday, May 14. Other GBRA lakes that have previously opened are Lake Dunlap, McQueeney, Meadow, Placid and Lake Wood.

Be sure to know your area lake and it's restrictions. Recent flooding may have changed or added lake obstructions. Proceed with caution and observe the following:

- ? All boating and water sports at your own risk. Refamiliarize yourself with the lake.
- ? Lakes may contain exposed or submerged flood debris.
- ? Channels and locations of previous obstructions may have changed.
- ? Be aware of glass, metal, wire or other objects.
- ? Remove or report any liquid-filled containers.

Until you have re-familiarized yourself to the post flood lake, GBRA strongly recommends the following:

- ? No Jet Skis.
- ? No skiing or pulling of water toys.
- ? Daylight use only.
