FOR IMMEDIATE RELEASE

January 20, 2005

SEGUIN----Beginning Sunday evening, January 23, Lake Gonzales (H-4) in Gonzales will be approximately two feet below normal so that maintenance can be performed to the spill gates.

According to Allen Ognoskie, GBRA hydro system manager, the lake will remain two feet below normal through Friday, January 28. This lake along with Lakes Dunlap, McQueeney, Placid, and Meadow remain closed to the public until further notice. Permits for these lakes can be obtained at the GBRA main office in Seguin, Monday through Friday, 8:00 to 5:00 pm. or Lake Wood Park.
