SEGUIN – The Guadalupe-Blanco River Authority (GBRA) Scholarship Program, which is part of the GBRA Employee Volunteer Program, awarded scholarships to area students from GBRA's ten county district. GBRA general manager W. E. "Bill" West, Jr. and Board chairman John P. Schneider, Jr. presented the scholarships at the Board of Directors regular meeting in Seguin on Wednesday, May 18.

Jamie Higgins, daughter of Kathy Higgins, was one of the seven recipients chosen to receive a \$2,000 scholarship.

Higgins, a sophomore at Victoria College, is on the Dean's List, an active member of the Criminal Justice Society, and holds the offices of Social Committee Chairperson and Student Government Association Representative. Higgins will transfer to Texas A&M University at Kingsville where she will complete her degree in Production Agriculture with Teaching Certification.

The GBRA Employee Volunteer Program was founded in December of 2000 and is led by a committee with a chairperson responsible for the overall program. Its purpose is to improve the quality of life in area communities through the commitment of GBRA employees and the use of their time, energy, talents and skills. Employee volunteerism is strictly voluntary, unpaid work performed by employees for non-profit or government organizations engaged in civic, health, education, social services and other charitable pursuits.
