FOR IMMEDIATE RELEASE

SEGUIN---- The Guadalupe-Blanco River Authority (GBRA) will raise lake levels at Meadow Lake (Nolte) today for weekend recreation. Beginning Sunday evening, June 5, Meadow Lake will be lowered for hydroelectric employees to perform routine maintenance through Friday June 10.

GBRA advises anyone using Meadow Lake for recreation purposes during this time to exercise caution, since lower lake levels may expose debris and other potential hazards that are normally underwater.

The public is advised that scheduled operations may be canceled or adjusted in the event of adverse weather conditions.
