SEGUIN – The Guadalupe-Blanco River Authority (GBRA) Scholarship Program, which is part of the GBRA Employee Volunteer Program, awarded seven scholarships to area students from GBRA's ten county district. GBRA general manager W. E. "Bill" West, Jr. and Board vice-chair John P. Schneider, Jr. presented the scholarships at the Board of Directors regular meeting in Seguin on Wednesday, May 17.

June Angela Prout, daughter of Clifford and Esmeralda Prout, was one of the seven recipients chosen to receive a \$2,000 scholarship.

Prout will graduate from Goliad High School in Goliad County, where she was involved in Student Council, band and journalism. Her volunteer activities included Habitat for Humanity, peer tutoring, and the local recycle center. Prout plans to attend Victoria College at Victoria to pursue a career in medical billing and coding.

The GBRA Employee Volunteer Program was founded in December of 2000 and is led by a committee with a chairperson responsible for the overall program. Its purpose is to improve the quality of life in area communities through the commitment of GBRA employees and the use of their time, energy, talents and skills. Employee volunteerism is strictly voluntary, unpaid work performed by employees for non-profit or government organizations engaged in civic, health, education, social services and other charitable pursuits.
