Coleto Creek- The 16th Annual Coleto Creek Kids Fishing Tournament will be held Saturday, June 6 from 7 a.m. to noon at the Coleto Creek Park, 365 Coleto Park Road, located midway between Victoria and Goliad off of Highway 59.

Plans are being completed by officials at Guadalupe-Blanco River Authority Coleto Creek Park and the Texas Parks and Wildlife Department to celebrate National Fishing and Boating Week, June 6-14. The event is open to all youth between the ages of 2 and 16, there will be no registration fee, but all children must register to fish.

"Our event targets both young people and adults to help them discover the joys of fishing and further develop an appreciation for our lakes, rivers, and the wildlife that live in and around them," said Jason Lewis, Coleto Creek reservoir ranger.

"In the 2008 Coleto Creek events, 145 children participated and all of them went away winners," said Lewis. Prizes will be awarded for the heaviest stringer in each of four age groups, (2-6 years, 7-9 years, 10-12 years, and 13-16 years). "Youth are also recognized for the overall largest fish, largest bass, largest catfish, and largest crappie. Two additional prizes for the smallest perch will be given to age groups 2-6 years and 7-9 years."
