"All of our sponsors have signed on again this year to help insure that all kids go home a winner," said Jason Lewis, Coleto Creek reservoir ranger.

"At the 2012 Coleto Creek event, almost 200 children participated and all of them went away winners," he added.

"Our event targets both young people and adults to help them discover the joys of fishing and further develop an appreciation for our lakes, rivers, and the wildlife that live in and around them," said Lewis.
