## **GBRA Regional Lab will be closed Friday, July 3 for Independence Holiday**

### **For more information**

LaMarriol Smith, Guadalupe-Blanco River Authority, (830) 379-5822, lsmith@gbra.org

SEGUIN-In observance of the Independence Holiday, the Guadalupe-Blanco River Authority (GBRA) Regional Laboratory staff has announced truncated hours. As a result, the laboratory requests that individuals dropping off microbiological samples such as total coliform, *E. coli*, and fecal coliform follow the following schedule:

**June 30:** All microbiological samples will be accepted. (No HPC samples will be accepted after June 30 for the week.)

**July 1:** Last day for receiving and set up E.coli, Fecal and Total Coliform.

**July 2:** GBRA will not be accepting microbiological samples. Any microbiological samples that are received will incur a holiday fee of four times the charge per sample.

**July 3:** The regional laboratory will be closed for Independence Day.

Regular business hours will resume Monday, July 6 at 8:00 a.m. Please contact the GBRA Regional Lab at (830) 379-5822, ext. 248 with questions or concerns.

The GBRA was established by the Texas Legislature in 1933 as a water conservation and reclamation district. GBRA provides stewardship for the water resources in its 10-county statutory district, which begins near the headwaters of the Guadalupe and Blanco rivers, ends at San Antonio Bay, and includes Kendall, Comal, Hays, Caldwell, Guadalupe, Gonzales, DeWitt, Victoria, Calhoun, and Refugio counties.
