GONZALES, Texas – Guadalupe-Blanco River Authority (GBRA) officials will host a public meeting on issues involving Lake Wood beginning at **5:30 p.m. Thursday, March 9, 2017**, at the City of Gonzales Expo Center at J.B. Wells, 2301 County Road 197, in Gonzales, Texas.

GBRA staff will provide information about its hydroelectric system, dam gate replacement options for Lake Wood, and potential funding opportunities for the gate replacement. Local constituents are invited to attend the meeting, see the presentations and address questions to GBRA staff.

GBRA Communications and Education staff disseminates press releases to local media and posts accordingly on the press release page of GBRA's website: [www.gbra.org](http://www.gbra.org). Information also is shared on GBRA's social media accounts through Instagram and Twitter "[@GBRATX](https://twitter.com/GBRATX)" and Facebook at "[GBRA of Texas](https://www.facebook.com/GBRAofTexas)."

The GBRA was established by the Texas Legislature in 1933 as a water conservation and reclamation district. GBRA provides stewardship for the water resources in its 10-county statutory district, which begins near the headwaters of the Guadalupe and Blanco rivers, ends at San Antonio Bay, and includes Kendall, Comal, Hays, Caldwell, Guadalupe, Gonzales, DeWitt, Victoria, Calhoun, and Refugio counties.
