24th Annual GBRA Kid Fishing Tournament Approaching

For more information

LaMarriol Smith, 830-379-5822, lsmith@gbra.org

FANNIN, Texas – As part of National Fishing and Boating Week 2017, the Guadalupe-Blanco River Authority (GBRA) and the Texas Parks and Wildlife Department (TPWD) invite families to the 24th Annual Kidfish Tournament Saturday, June 3, 2017, from 7 a.m. to noon at Coletto Creek Park and Reservoir, 365 Coletto Park Road, located off Highway 59 between Victoria and Goliad

The registration fee for the event, which is open to all youth between ages 2 and 16, will be included in the regular park entry fee. All participants must register.

“Our event targets both young people and adults to help them discover the joy of fishing and further develop an appreciation for our lakes, rivers, and the wildlife that live in and around them,” said Michael Stanford, ranger at Coletto Creek Park and Reservoir.

“We are pleased to have the continued help of Academy Sports and Outdoors as the major corporate sponsor. With partner donations, we will be able to award prizes for the heaviest stringer in each of four age groups: 2-6 years, 7-9 years, 10-12 years and 13-16 years,” Stanford said, adding, “We also will recognize the overall largest fish, largest bass, largest catfish, and largest crappie. And, prizes for the smallest perch will be given to age group 2-6 years and 7-9 years.”

For more information, contact the park office at 361-575-6366, visit the park’s website at www.colettocreekpark.com, or email coletto@gbra.org. GBRA Communications and Education staff disseminates press releases to local media and posts accordingly on the press release page of GBRA’s website at www.gbra.org. Information also is shared on GBRA’s social media accounts through Instagram and Twitter “[@GBRATX](https://twitter.com/GBRATX)” and Facebook at “[GBRA of Texas](https://www.facebook.com/GBRAofTexas).”

The GBRA was established by the Texas Legislature in 1933 as a water conservation and reclamation district. GBRA provides stewardship for the water resources in its 10-county statutory district, which begins near the headwaters of the Guadalupe and Blanco rivers, ends at San Antonio Bay, and includes Kendall, Comal, Hays, Caldwell, Guadalupe, Gonzales, DeWitt, Victoria, Calhoun, and Refugio counties.
