

Plum Creek meeting and documentary screening set for August 8 at Lockhart State Park

LOCKHART – The Plum Creek Watershed Partnership welcomes the public to a free screening of “Watershed: Exploring a New Water Ethic for the New West” and regular quarterly meeting August 8 at the Lockhart State Park Recreation Hall.

The park is located at 4179 State Park Road and Farm-to-Market Road 20, west of U.S. Highway 183 in Lockhart.

The meeting is free and open to the public. A barbeque dinner will be provided by the Plum Creek Watershed Steering Committee.

A presentation by Plum Creek watershed coordinator, Nick Dornak, will begin at 6:30 p.m. followed by a special screening of the award winning documentary narrated by Robert Redford at 7:00 p.m.

“The people and voices chronicled in ‘Watershed’ speak to many of the same challenges faced by our stakeholders in Plum Creek and across the State of Texas,” said Dornak.

For more information on how you can help restore and protect Plum Creek, or to download a copy of the watershed protection plan, go to <http://plumcreek.tamu.edu/>. You can also email Dornak at ndornak@plumcreekwatershed.org, or mail a request to 1403 Blackjack Street, Suite B, Lockhart, Texas, 78644.

Funding for the development and support of the Plum Creek Watershed Protection Plan is through a Clean Water Act grant provided by the Texas State Soil and Water Conservation Board and U.S. Environmental Protection Agency.
